

SODC New bin collection calendar

From **27 September 2010**, SODC will be starting a new bin collection calendar due to joining up collections with the Vale of the White Horse District Council.

The whole district will start the new calendar with grey/black bin collection the week commencing 27 September. In some cases, this will mean a grey/black bin collection the week commencing 20 September and again the following week. Food waste caddies will be emptied every week.

If you have extra recycling, just put this out in clear or white plastic bags or boxes with your green bin the week commencing 4 October.

Everyone should receive the new calendar soon. However, if the property has subscribed to no junk mail from the Royal Mail or it does not arrive by 27 September please call 03000 610610 or email admin.southoxford@verdant-group.co.uk and one will be put one in the post.

The following areas will have a new collection day.

Towersey - Monday

Tetsworth - Monday

Sydenham - Monday

Postcombe - Monday

Emington- Monday

Culham - Friday

SODC can send you a free text message to let you know when to put your bins out during bank holidays and collection disruptions. Just text the word **waste** and your new collection day to 07797 870370.

SODC will make significant savings of around £434,000 each year by sharing the rubbish and recycling service with Vale of the White Horse DC.

Remember:

27 September

4 October
